The BMW
1 Series 3-door

BMW 118d. World Green Car of the Year 2008.

The BMW 1 Series range has built its reputation on outstanding engines, rewarding handling and an unmistakably sporty design. More recently, the introduction of BMW EfficientDynamics technologies has further improved performance while reducing emissions and fuel consumption, as recognised by the latest World Car of the Year jury. Now, for a limited time, the appeal is even greater thanks to BMW Select offers like the ones below.
